Course Information:

Professional Therapists are required to comply with all relevant legislation affecting their businesses and must act professionally at all times towards clients and fellow practitioners. Professional Therapists are responsible for the health and safety of their clients and themselves. They must also abide by a strict code of ethics as laid down by the Guild of Professional Beauty Therapists.

The GTI (Guild Training International) course in Professional Standards for Therapists covers all the essential legislation and professional ethics required for working in the industry as specified in the National Occupation Standards for level 2 and 3 treatments in beauty, nails and holistic therapy. This course is a pre-requisite for many practical treatment courses and is highly recommended in support of professional membership and development through the Guild of Professional Beauty Therapists.

As a Professional Therapist, you will need to comply with any new legislation that is introduced, and be aware of any changes that are made to existing legislation. Once you have completed the Professional Standards for Therapists course, you will continue to receive updates of any changes to UK legislation that will affect your business..

All modules & examinations are completed online with full online support available.
